York, PA Roofing Contractors Affordable Roofing Announces an Envious \$300 Off or Free Aluminum Gutter Guards for Their Complete Roof Replacement Services

York, Pennsylvania, USA, January 30, 2017 – Affordable Roofing announced today a special price slash as well as an amazing add-on benefit for their complete roof replacement services. Everyone loves freebies, everyone loves discounts, and everyone loves price reductions especially when it is coming from a company whose services are second to none. What this implies is that effective from today, all customers will be getting a \$300 price reduction or a free installation of aluminum gutter guards when they opt for the company's (Affordable Roofing) complete roof replacement service. This offer is however for a limited time.

Suffice it to say that Affordable Roofing is a renowned and reputable Roofing Contractor that specializes in roof and gutter installation, repair and replacement. They are dedicated towards offering the most pleasant customer experience possible while providing their services in an honest, timely, professional and complete fashion.

This special offer provides a wonderful opportunity not just for old customers alone, but also for their friends and loved ones that would love to give their homes and facilities a face lift via a complete roof replacement procedure.

Speaking excitedly, a spokesperson of the York, PA roofing company said; "We are extremely delighted to be doing this for our customers. Being a company that prioritizes our customer's satisfaction and interests, we decided to open this window of opportunity for them all. Please note that this current offer doesn't reflect previous works or past offers. Furthermore, the roof in question must be at least 1600 square ft."

Everyone can enjoy this limited time offer by calling Affordable Roofing at 717-953-3057. Potential customers who don't want to miss this opportunity, and would like to receive expert advice about the condition of their roof before taking a decision, can also call the company and speak with any of their friendly and knowledgeable representatives.

"In a bid to see our clients replace or totally overhaul their roof at a greatly reduced rate, we have decided to remove \$300 off our standard price. Those who don't want the price reduction can embrace our second option. This offer isn't forever; it would come to an end on the 28th of February, 2017. What are you waiting for? Give us a call now" he concluded.
